

Toni-Rigatoni Darling

August 16, 2020

Dedicated to our beloved Tony-Rigatoni.

We first met Tony-Rigatoni/Baby Pig/Pig-Pig in 2016 at the "Pet Supplies Plus" store in Lancaster, Ohio. Tony-Rigatoni leaves behind her owner Keaten Darling, human Grandparents Chrissy & Chris Darling, Uncle Will (dog), Aunt Lyza (dog), Brother Chong (cat), brother Morris (cat), and brother P.K. (cat). Tony-Rigatoni was preceded in death by her BFF guinea pig Trey-More. Tony's favorite food was green peppers and anytime she heard the knife chopping on the cutting board she would let out the loudest "Wheeeeek-wheeeeeek" you ever heard. She knew that sound surely meant green peppers were on the way to her. Tony enjoyed cuddles from her human family, playtime with Trey, and her Tony-Rigatoni song sang to her by her human Grandma Chrissy. We miss our girl Tony-Rigatoni more than words can describe. We never knew such a tiny fur-baby could leave such a giant hole in our hearts. Popcorn happy & free over Rainbow Bridge with Trey-More Tony, until we meet again missing always, we love you.
