

Topbrass Scarlet + Gray FLAG Sheller

August 24, 2010 - January 8, 2022

Flag left me too soon. She was always known as "the girl with the curls." A stunningly beautiful field bred golden retriever. She was Hero #115 in The Morris Animal Foundation Golden Retriever Lifetime Study. She lived to retrieve, swim and fetch her chuckit balls. She was my loyal and constant companion and my 3rd golden retriever. My heart is broken.
