

Tressel Olms

March 20, 2006 - October 17, 2022

Tressel was my first dog that gave me 16 beautiful years of love, compassion, laughs, and joy. He was the typical goofball dachshund enjoying plenty of treats, walks and snuggles from all family and friends. As he got older, we told him to let us know when he was ready. I was lucky enough to send him peacefully and painlessly across the Rainbow Bridge while holding him in my arms. I'll forever miss your kisses and unconditional love. Run free, little guy!
