

Tugger Donnelly

August 6, 2003 - March 13, 2019

We adopted Tugger during the summer of 2014 after her owners passed away with cancer. Being empty nesters she provided a tremendous joy and companionship to our family. Without question TUGger was the best dog that we have owned. She had a way of making you feel good and smile during a bad day. Our "Tugger" will be sadly missed forever. RIP Baby
