

## Vaida Rodesh

August 28, 2017 - September 7, 2024

Our precious Vaida left us unexpectedly on September 7th, 2024. We will forever miss her sweet, silly personality and her big heart. She loved everyone who was lucky enough to know or meet her, especially if they came with treats! Our sweet girl loved to cuddle, give kisses, play ( especially hide & seek) and sleep. She loved her stuffed puppy toy that she got from Humane Fort Wayne on her adoption day. She snuggled it to the very end. We are so deeply saddened and heart broken by the loss of Vaida and she is forever in our hearts. " If love alone could have kept you here, you would have lived forever"
