

## Where Are You... Tenwalde

October 23, 2001 - June 20, 2018

She was always Entertaining and Very Intelligent.  
I wanted to call her Cali she chose to only answer to  
Where Are You...  
Ringing a bell for a treat, she even rode on my Rollator Seat.  
Always Festive when she was in Heat  
But she was very Sweet and Ever so Neat.  
And most important she Made Us Complete.

Middle of the night  
Here I am grieving  
My Kitty is in Heaven  
And I miss her Mewing  
An Orb floated by my Head  
And a Cartoon Kitty appeared on my PC Screen  
I heard a little Whisper that mewed  
Don't cry mama  
Heaven is the place for me  
I am playing, running and having a ball  
God is good to me  
Thank you for caring for me while I was on Earth  
I will see you when you get here  
Spend the time you have left

Make you Life Worthwhile

Gotta go for now Mama

It's time for Catnip, Naps then Treats

I will see you again when you sleep. Mew, Mew, Mew
