

Whiskey Miles

January 3, 2013 - March 27, 2017

Whiskey was one of a kind. I never had a cat like him. We got him when he was a kitten in Okinawa, Japan and was my 10 month old daughters. They grew up together. They were the best of friends. Anywhere my daughter was, he was! Even in the bathroom. :) She misses him so much. We did adopt a new kitten and it's not the same but we do love her so much. She gets along great with my daughter but she's not as clingy as Whiskey. We will always love and miss our Whiskey Boy!
