

Willis Smith

July 6, 1999 - April 21, 2019

"As glorious as the Easter season is, saying goodbye to Willis after sharing a home for nearly 20 years has left me with a huge hole in my heart. While his love and loyalty are sorely missed, my beloved companion has a new home with God now and is free of his earthly pain and suffering. Farewell dear friend, rest in peace."

“ *It was an honor to be among Willis' family as his life was celebrated. While 20 years is an amazing amount of time to be blessed with a loved one, it's not nearly enough. I hope you know that it was so painfully obvious how special and loved Willis was and always will be. I hope the days ahead are as easy on your heart as possible. Much love-Allison Bowers*
