

Zoey Street

September 15, 2003 - May 25, 2020

Zoey was truly a member of our family. On special occasions when we said grace before dinner - she had her spot next to me. We would all hold hands and she was included. She would be so quiet. I always said she was an angel wrapped in fur. Her love was unconditional and deep. I really feel blessed having her in my life. Her spirit will always be with me. Rest, my sweet doggie. You deserve your peace.
